E. Selection Method and Timeline

Potential Partners who submit proposals will be given fair consideration by NCAR staff. If necessary, a meeting will be set up between NCAR staff and the company to discuss the proposal in more detail.

Should the company appear to be a good fit for the members, the company will be invited to make a presentation to the REALTOR Partner Committee, which meets three times

annually. The Committee will then make a recommendation to the NCAR Service Corporation Board of Directors.

The NCAR Service Corporation BOD typically meets three times annually, coinciding with the meetings of the Committee. Decisions are made at these meetings as to whether or not to approve potential Partners, based strongly on the recommendation made to the Board by the REALTOR Partner Committee. The NCAR Service Corporation Board of Directors will approve the organization that in their judgment best represents the interests of the association and membership.
